A Change of Tone.

Russell's letter to the London Times, from Savannah, dated May 2, thus discribes the We are permitted to publish the follow- change which he observed there in the

ing circular, received yesterday by Hon. public expressions in regard to the warr May day was so well kept yesterday that the exhausted eduors cannot bring out their papers, and consequently there is no news; but there is, nevertheless, much to be said concerning our President's message, and It is thought, by many at the North, that there is a suddenness of admiration for the we at the South are standing over a maga- pacific tendencies which can with difficulty be accounted for, unless the news from the North these last few days has something to do with it.

There is not a word now about an instant march on Washington; no more threats to seize on Fanuell Hall. The Georgians are by no means so keen as the Carolinians on em to lay as they were a week ago. Mr Jefno means in such favor while the Sumter fever was at its hight. Men look grave, and France which connet allow this thing to go on. But the change which has come over them is unmistakable, and the best men look grave. As for me, I mest prepare to open my lines of retreat. My communica-

### Biorrible Murder by the Arkansas Rebels.

We have already alluded to the tragedy, of which the Cairo correspondent of the St. Louis Democrat gives the following particmbara r

slaves in the Gulf States are incited to ser- murderous and horrible outrage by the Sevile insurrections and the prospect bala fa'r consionists traitors and rebels, perpetrated at Mound City, Arkansas this week. An carnate, then the slave owners in the South | old, gray-headed man, agod over sixty years, will be ready to sacrifice every slave from a watchman on board of the steamer W. M. whom danger may be apprehended, even Morrison, fied up by the rebels at that place, though it involve a destruction of every let slip some Union sentiments in their presmale slave over the age of fifteen years, or cace. He was soon sucrounded by ruffians, even younger than that, if the necessities of who told him they were going to hang him the case may seem to require it; and will forthwith. The poor old man thought they Log hands will be found to execute the were jesting, and said: "Gentlemen, surebleo.iy deed. Before Santhern men will by you don't mean what you say; I am a suffer themselves, their wives and their lit- poor, old, gray-headed man-always have tie ones to be bufeliered, and their daught. worked hard, and made an honest living; ers werse than butchered, by fiends in hus surely you would not hang me for the eximmirrections, the Guli streams will be erim- mons could perpetrate such a murder until son with the pore, and every Southern river he felt the rope around his neck. The end chaked with fearering carcusses of slaves, of the rope was thrown over the limb of a Men of the North, you hold in your hands tree, and the demoniac crowd of devils pull-

A correspondent of the Sandusky Registor gives the following particulars relative to the culinary department, at Camp Denni-

A gentleman extensively acquainted in The building is 140 feet in length and 40 steamers passed down the Ohio river from Pittsburg. They were chartered by the agreed on, and that Gen. Shields offerred to Gevernment, but their exast destination was not known. It supposed their movements are some way connected with a project to agree on the Covernor has a local contract of the contract of the contract of the same city, the baking would symbolize the Union as it might. They were chartered by the agree on the contract of thirteen stripes, and that the number gentlemen are sojourning in this city, for safety from the armed rabble now dominant in Southern cities. These parties are imployed in baking. A hear in Chemistraction was gentlemen are sojourning in this city, for safety from the armed rabble now dominant in Southern cities. These parties are from the Mississippi cities from Momphis to New every day. Each loar weighs two pounds are some way connected with a project to rout the secession camps up Kanawha rivers. We shall watch, with interest, for the result of this expedition.

Sketch of Gen. Scott.

The Chicago Tribune says that enfectled in body, but clearminded and vigorous in large from Western Virginia indicates lively times for the Government troops.

The rebeis have taken post at Pickment in large force, a place about 25 miles west of Camberland, burning a railroad bridge and continued by aids and advisors, and not entire of communication between the formal continued are proved to the contrary.

The rebeis have taken post at Pickment in strong a railroad bridge and continued by aids and advisors, and not entire of communication between the formal contract of the missing a railroad bridge and succession camps up Kanawha rivers and the second first history, and have some first birth. It was at the same fine suggested that these are turned of the shareholding States. They are men of the shareholding States, in the shareholding States. They are men of the shareholding States. When the shareholding States, in the shareholding States. They are men of surrounded by aids and advisors, and not until a late hour does the work cease. The the glory of the State it may represent, and he declares that a strong Union feeling pre-Jerusalou." In front of each oven are large basile and din of the city and camp are the whole to be eloquent forever of a Union hushed at nightfail, but not for many hours that must be one and inseparable.

Time would fail me to enter more largely of patriotism.

The whole to be eloquent forever of a Union valls in New Orleans, but the terrors of the the services and the name of "Jeff. Davis" assassin's knife overawe all demonstration of patriotism. England contributed its colors. Great men civilized portion of the European continent. however, that if the force here is seen startmade it their study. Washington, Franklin.
